

Background PAL v2

Images

- Anchor image: approved background anchor for the current stage

Positives

- same scene identity
- bright indoor photo-wedding studio
- white to ivory neutral interior
- quiet photographic interior
- clean structured studio setting
- soft diffused light
- high-key but not overexposed
- neutral to slightly warm light
- weak shadow
- low to moderate scene density
- restrained decoration
- subject-supportive setting
- calm photographic setting

Negatives

- no church-like hall
- no altar-centered layout
- no aisle emphasis
- no church symbols
- no garden ceremony cues
- no outdoor ceremony space
- no luxury hotel glamour
- no ornate wedding hall
- no excessive props
- no overwhelming decoration
- no ceremony-heavy reinterpretation
- no venue drift
- no scene drift
- no density drift
- no cultural drift caused by background
- no westernized glamorous bridal venue reading
- do not let background overwrite person identity
