

Character PAL V2.0

Images

- Anchor image: primary identity anchor

- Anti-drift image: nearby but incorrect direction, do not reproduce

Positives

- same Japanese adult woman
- adult woman, mid-twenties to around thirty age-reading
- high ponytail with soft volume
- round thin-frame glasses
- warm brown eyes
- soft facial contour
- warm-neutral skin
- gentle, calm, refined face reading
- approachable elegance
- quiet warmth
- restrained romantic sincerity
- adult softness
- emotionally sincere and composed
- soft minimal natural gesture
- upright, graceful, composed presence
- smiles softly rather than broadly
- gentle eye contact without assertive intensity
- emotionally significant but controlled
- hand-drawn 2D character illustration
- anime-style illustration
- clean linework
- soft illustrated shading
- non-photorealistic rendering

Negatives

- do not invent a new person
- no office-worker archetype
- no cold professional reinterpretation
- no strict intellectual stereotype
- no student-coded youthfulness
- no adolescent-coded reading
- no generic marriage-age overwrite
- no generic bridal glamour
- no westernized beauty coding
- no generic polished formal beauty
- no aggressive glamour
- no editorial beauty optimization
- no fashion-editorial posing
- no competence-coded hardness
- no hazel glamour iris shift
- no darkened eye-line emphasis
- no cosmetic eye-area shading
- no over-whitened polished fairness
- no beauty-impact over gentleness
- no broad smile
- no asymmetrical smile
- no sarcastic, smug, or knowing expression
- no childish or comedic emotional reading
- no text, labels, captions, headings, annotations
- not a document, infographic, sheet, card, board, or storyboard
- not photo, live-action, photorealistic, or semi-realistic portrait
